Reference: February Horticultural Review

FL. Certified Horticultural Professional: Lindsay Olsen

Good day,

Following up with this month's horticultural review; the items listed below will be addressed:

General Notes:

- First quarter turf (19-0-8) fertilizer application is scheduled in February 2016.
- First plant (6-2-10) fertilizer application is scheduled in February 2016.
- Next pruning service is scheduled the second week in March 2016.

Pruning/General:

- Shape soft plant material, Plumbago, Jasmine and Bougainvillea.
- Even hedge material as needed.
- Maintain plants below unit numbers and lights at driveways.
- #20815/#20819 Treat between homes at front with Arena for grubs.
- Pocket prune Hibiscus as needed.
- #20857 Mower damage noted at light post.

Irrigation Inspections: N/A

- #20839 Very dry, please check irrigation

Integrated Pest Management: All concerns noted in this inspection will be assigned a service request for needed corrections.

- The next IPM service is scheduled for the second week of March 2016.

Should you have any questions on the above information please feel free to contact me at 239-643-4471.
